Inspired by a global movement to walk a distance equivalent to the length of Gaza, CT's walk, like all the others, will call attention to the crisis in Gaza, **with the following demands:**

1. end all United States financial and military aid to the Netanyahu government for the prosecution of its criminal war against the people of Gaza.
2. an immediate, permanent ceasefire and facilitate as quickly as possible the unimpeded delivery of humanitarian aid to the people of Gaza, with safe passage for aid workers.
3. the safety and negotiated release of all hostages on both sides.
4. call our elected officials in Congress to facilitate these outcomes, beginning with the cessation of all military aid.

In addition to being visible and vocal about the crisis, organizers are raising money through the walk for the United Nations Relief and Works Agency (UNRWA). UNRWA provides the most survival services to the people of Gaza. **Donate at this link:** <https://urgent-assistance-2023.funraise.org/team/walk-for-gaza-ct>
